TRINITY'S MISSION STATEMENT

Our mission as a church and preschool is to serve our Savior and Lord, Jesus Christ. This we do by sharing the following message:

Our mission is to make every encounter with Trinity an encounter with Christ's caring love.

PHILOSOPHY

God has given the direct responsibility of educating children to parents. He has also commanded the church "to teach."

Teachers form a partnership with parents. Together they want to teach children what it means to put their trust in Jesus as their Savior. Jesus is the reason why the school exists.

PURPOSE

Trinity Lutheran Preschool will provide a Christian environment to meet the child's spiritual, emotional, mental, social, and physical needs.

The Preschool will also share the Gospel of Jesus Christ with the children and their families and nurture their Christian growth.

Our staff shares a Christian attitude and love toward all children.
